THE BEARDEN ECHO

Bearden High School Knoxville, Tennessee

Foreword

The enduring spirit of good sportsmanship, the rewarding efforts of hard work and healthful play, the molding of character, morals, and aspirations--these make up the glorious and memorable days we spend at Bearden High School.

This book has been made possible through the co-operation of students, faculty, and patrons.

With the desire to create a worthy memento of memorable days at Bearden High School, we, the annual staff of 1960, present this edition of the ECHO.

Dedicated

to . . .

W. R. Turner

The annual staff, student body, and faculty members of Bearden High School dedicate the 1960 ECHO to our principal, W. R. Turner, who for the past ten years has given both time and effort toward making Bearden outstanding. For this we express our appreciation.

To the left is a familiar scene--Mr. Turner in assembly.

To the top and right are pictures of Mr. Turner as we see him every day.

The American Field Service is a student exchange program whose purpose is to create international understanding. Each year it brings to the United States high school students from foreign countries. This summer over a thousand American students lived with families in Europe, South America, and the Far East. Linda Howard spent her summer in Kyoto, Japan. This year we have Antonio Arbello from Madrid, Spain.

The queen and her court: Nancy Hunter; Catherine Verret; Carole Erskine; and Nancy Johnson, crown bearer.

To the left is our 1959 Prom Queen, Catherine Verret, exchange student from Paris, France.

To the right are the prom chairmen, Jody McCurdy and Davena White.
